I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I object to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

If enactment of this M.O.U. meant that I couldn't receive my prescriptions shipped from an out-of-state pharmacy, my quality of life would be greatly compromised, since the medication that my doctor prescribed and that I need isn't available from any in-state pharmacies.

Thank you,
Glenna Cox
